Getting started with the Beekee Box

1. Start the Beekee Box by rapidly pressing the button. Wait until the LED on the top is steady green.

2. Connect your device to the **Beekee Box** WiFi network.

3. Open a web browser and go to **beekee.box**

⬡! Some devices will warn you that this network has no Internet. Please tap on the option to stay connected.

If you wish to turn the Beekee Box off, press the button 5 seconds.

⬡! If the Beekee Box does not shut down or remains unresponsive, **please keep button pushed for 20 seconds** to force shutdown. Then turn it on again.

Please send us an email to info@beekee.ch if you encounter any problem or require assistance.
